

# Kindergarten

Week of October 24<sup>th</sup>

## Learning Corner

It was a fun filled week at school! On Wednesday we had a visit from Brewster Fire Department to learn about fire safety. The children sprayed the fire hose and went in an ambulance and fire truck. In the classroom the students made a fire related mobile and enjoyed books such as *Going to the Firehouse*, *The Fire Engine Book*, and *This is the Firefighter*.

The Kindergartners having been moving right along learning their letters. The focus letters were d and s. To reinforce the letter d, the class made ducks and we read the books *Dawdle Duckling* and *Duck at the Door*.

To reinforce the letter s the children made a tasty treat to go along with the book and movie *The Legend of Spookley the Square Pumpkin*.

The kindergartners continued to practice writing the letters by sky writing, writing on marker boards, and in their journals, as well as work on the Smart Board. They colored the focus pictures dog and snake. Please continue to review at home and color the Foundation pictures. Next week's letters are e and u.

In Math the Kindergartners continued number review working on reading, writing, and counting 10 as well as ways to make this number.

**HALLOWEEN** excitement is building in the classroom. The class made finger pumpkins to go along with our counting pumpkin song, made a beaded pumpkin, colored a Halloween book, and learned about the parts of a pumpkin.

Shoutout to our Star Student Thomas! We learned that Thomas likes to rake leaves, is really good at racing cars, favorite color is orange, and his best friend is Mommy. Freddy the Fox is excited to spend the weekend with Thomas! I know the Kindergartners are excited to see the fun they have!
