

PRESCHOOL NEWSLETTER

Saint Lawrence O'Toole Early Childhood Learning Center

Activities & Themes

Week of October 24, 2016

Religion

The children learned about the saints. The light of Christ shines through them.

Letter Recognition

The children reviewed the letters: L, F, E, H and T.

Math

The children measured pasta. They learned ordinal numbers by chanting the poem "Five Little Pumpkins".

Notes & Reminders

1. Gym class will be on Wednesday. Sneakers are needed.
2. Thursday is library.
3. We have been helping the children with getting ready to go home. We zip and button jackets. The children are being taught how to put on their jacket. We also make sure that they have their hat and gloves on. Please be sure your child has "child friendly" winter clothing. We have been late leaving school because it is taking very long to get 15 children dressed. Double layered jackets are difficult for them.

Announcements

1. Friday will be Show and Tell. The theme will be the Letter "I", color green and number 3. Please send one item to school on Friday that relates to the current Show and Tell theme.
2. I will be screening your child for parent conferences. Please review the letters: L, F, E, H, T and I.
3. Halloween Centers October 31.
