

May 6th

Mrs. Grutzner's Classroom News

NOTES

We visit the library in the beginning of the week. Please remember: books checked out are not due back until a week from check-out.

Gym is on Wednesdays. Please remember to pack sneakers.

Hopefully the sun will come out again so we can go outside. Please layer your child's clothing.

Our Show & Tell is at the end of the week. Please try and have your child bring something corresponding to the letter of the week or the color or shape of the month.

WHAT WE ARE LEARNING

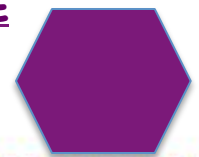

This week was a rainy week outside, but we're always shining in PreK-3!

We had fun making some crafts that are decorating our room.

In religion we talked about how lucky we are to have our mommies. We worked on our Mother's Day projects and practiced our songs in preparation for our celebration.

We'll continue Working on the letter W for next Week.

The color for May is **PURPLE** and our shape is Hexagon

UPCOMING EVENTS

Happy Mother's Day!
