WHAT WE ARE LEARNING

In religion we talked about how the Bible is God's Word and tells stories about his son Jesus.

Since May is Mary's month we read about her and sang "Mary Had a Baby Boy", our Christmas song.

We continued to talk about plants and flowers and had fun potting ours for the classroom. Each child will have the opportunity to help care for it for the remainder of the year.

We continued to be Very Vocal about, but we will Vary from, the letter V. We are eXcited about X.
