

October 28

Mrs. Grutzner's Classroom News

NOTES

We will be visiting the library at the beginning of each week. Please enjoy the book your child chooses and return it the following week.

Please try and dress your child in layers so they are comfortable when we go out to play.

**We were working on the letter 'I' and will continue into next week.*

WHAT WE ARE LEARNING

This week was a full one!! We had our local fire department come and teach us about Fire Safety. The children were able to climb in the fire truck and ambulance, as well as spray the hose!

In religion, we talked about our friends. God has given us so many new friends this year and we are learning how to play, share and treat them with kindness.

On Friday, we had our parade and pizza party. I think the kids had a blast showing off their costumes! I was sad I wasn't able to be there to see it live 😊

UPCOMING EVENTS

Halloween Centers Monday 10/31!!

Have a great weekend filled with Halloween Fun!!
