| <b>Monday 4/18</b>                                                                                                                                                                                                                                                                                                                                                                 | <b>Centers</b>                                                                                                                                                                                                                          |                        |
| Today we had a spring walk. The children had a "checklist" to look for certain signs of spring. They either had to make an X or color in the item when we spotted it. Their favorite was an animal print (we may have seen a print from the Brewster Bear!). It was fun looking at nature and taking a walk around our school.                                                     | Color – played Dora bingo with colors<br>Sensory – Yellow mania<br>Fine Motor – color pom pom tweezing<br>Letter of the Week (A) – glued a pictures to our giant A.                                                                     |                        |
| <b>Wednesday 4/20</b>                                                                                                                                                                                                                                                                                                                                                              | <b>Specials</b>                                                                                                                                                                                                                         |                        |
| Our project today was to make a rainbow. We read <u>What is a Rainbow?</u> We talked about how rainbows usually come out after rain. Then we learned that rainbow colors are in a certain order. The children made their own rainbow with crepe paper and a paper plate. They had to glue the colors in order. We added cotton balls to make the clouds "fluffy".                  | Monday – Library – picked out library books. Please return by the following Monday.<br><br>Wednesday – Hop a Thon – we did the bunny hop for 2 minutes. Then the children hopped around the gym.<br>Friday – Music – Mother's Day songs |                        |
| <b>Friday 4/22</b>                                                                                                                                                                                                                                                                                                                                                                 | <b>Religion</b>                                                                                                                                                                                                                         |                        |
| We had a science experiment today. We examined different beehives. There was a huge beehive and a small one. The children were amazed at the difference. Our song today was "Bringing home my baby bumble bee". Then the children made painted bees using their thumbprints.                                                                                                       | We talked about God's special book – the Bible. I showed them a Bible and all of the scriptures it contains. Asked them to go home and see if they had a Bible too                                                                      |                        |
| <b>Reminders</b>                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                         |                        |
| Enjoying this warmer weather. We will be outside playing each day as long as it's not raining or too wet. We are planning a Mother's Day celebration for Friday, May 6 <sup>th</sup> in the afternoon. Please save the date and invitations (via email) will be coming out soon. The letter for this week will be M. Please bring in pictures that begin with that letter. Thanks! |                                                                                                                                                                                                                                         |                        |
