

Saint Lawrence O'Toole Early Childhood Learning Center

Week of April 18, 2016

Activities & Themes

Religion

The children learned that God made big things: animals, mountains, oceans and even us. God is so wonderful! The children began to learn the prayer Hail Mary.

Math

The children learned how to make a diamond. They also learned that $3+2=5$ and $2+3=5$. They are learning so much!

Letter Recognition

1. The letter "N" was introduced.
2. Numbers, Noah's Ark, nests, night and newspapers were projects to reinforce the letter "N".
3. The children completed My N Book. Please save the little book. The books will be a great review for kindergarten.

Notes & Reminders

1. Gym class will be on Wednesday each week. Please be sure your child wears sneakers and comfortable clothing to school.
2. Thursday is Library Day. Please return your child's book to school by Thursday.

3. **Time Change: Mother's Day Tea will be at 9:45 on May 6.**

Announcements

1. Friday will be Show and Tell. The theme will be the letter "V", color purple, shape triangle and number 7.
2. The children enjoyed playing outside this week. The weather was perfect.
3. Thank you for participating in the Hop-A-Thon. The children had a great time hopping while learning about children with disabilities.
4. Each Sunday **All Stars**, a Gospel program for 4, 5 and 6 year olds, takes place during the 9:30 and 11:00 Masses. Come to Mass and have a quality program for your child. The program is for twenty minutes during the adult Gospel and homily. The children are then returned to their parents. This is a great way for your child to understand the Gospel and God's love at their level. It was so nice to see PreK-4 at Mass.
5. Enjoy the warm weather this weekend. Spend some time outside with your child/children
