

Saint Lawrence O'Toole Early Childhood Learning Center

Week of April 4, 2016

Activities & Themes

Religion

The children learned that God made birds. Birds are a sign of hope.

Math

The children learned how to take a small square and make it larger. To be a square all sides need to be the same size.

Letter Recognition

1. The letter "A" was introduced.
2. The letter "A" is a vowel and has two names. It has a long name and a short name.
3. Apples prints, alphabet stamps, ants and acrostic poetry were projects to reinforce the letter "A".

Notes & Reminders

1. Gym class is on Wednesday. Please be sure your child wears sneakers and comfortable clothing.
2. Thursday is Library Day. Please return your book by Thursday.
3. Save the date. May 6th at 11:15 there will be a Tea Party for the Moms. You should have received an invitation from your child.

Announcements

1. Thank you for the Edible Fruit Arrangement you gave me. It was so thoughtful and appreciated.
2. Show and Tell for Friday will be the letter "M", color purple, number 7 and shape triangle.
3. Each Sunday All Stars, a Gospel program for 4, 5 and 6 year olds, takes place during the 9:30 and 11:00 Masses. Come to Mass and have a quality program for your child. The program is for twenty minutes during the adult Gospel and homily. The children are then returned to their parents. This is a great way for your child to understand the Gospel and God's love at their level.
4. May you and your family have a wonderful weekend together.
