

Pre K 3 News

Mrs. Murphy & Mrs. V

Newsletter for the Week of: 5/16-5/20/16 Theme: Caterpillars	
Monday 5/16	Centers
Today we read a book, <u>Crunching, Munching Caterpillars</u> . It was about a caterpillar that eats a lot and crunched and munched on his food. We made our own caterpillars today. The children did an AB pattern. They picked 2 colors and colored sections of their caterpillar using a pattern. They glued a face to it and drew eyes, nose and mouth too.	Shape– Played Dora Bingo Color – cut out pink paper Letter of the Week (V)- V is for vehicle. Traced V on paper. Used marker dabbers for V. Sensory – water table Fine Motor- egg game
Wednesday 5/18	Specials
Our project today was to paint a watercolor caterpillar. I read, <u>The Very Hungry Caterpillar</u> , by Eric Carle (one of my favorite author/illustrator). His artwork in the book looks like watercolor art. The children painted each section of the caterpillar (he was big!) a different color. They did an awesome job painting. Look for them in our classroom.	Monday – Library – Picked out books. This Monday (May 23 rd) will be the last day to pick out books. Please remember to bring them back. Wednesday – Gym – Running bases Friday - Music
Friday 5/20	Religion
We had our May crowing today. Our school went up to the chapel and each student gave Mary, our Blessed Mother a flower to honor her. The kindergarten class performed a ceremony in her honor. It was beautiful. We all sang Mary Had a Baby Boy too.	Jesus is the son of God and he is very special. He likes to help the others. Jesus would like us to try and help our classmates when needed and be kind to one another.
Reminders	
Friendly reminder that our DIMES TO DOLLARS fundraiser for the American Cancer Society has begun! The money will go to my Relay for Life team – MOMS ON A MISSION. Please gather up as many dimes as you can and let's fill our class water bottle. The class that fills up the water bottle the most will win an ice cream party! We will also be bringing "a book alive" for the end of the year – will be giving out the date shortly. It will be at 12pm (right before pick up) in our classroom. Our book will be <u>The Very Hungry Caterpillar</u> . We will be having a water table as our sensory center so, if your child is a bit wet at the end of the day, the water table is the culprit ☺. Happy Weekend!
