Newsletter for the Week of: 5/2-5/6/16		Theme: Flowers
Monday 5/2		Centers
<p>Today we read the non-fiction book, <u>What is a Seed?</u>. It talked about different types of seeds to plant and how they grow. The children learned a seed needs: air, sunlight, water and soil. We made watercolor tulips today for our project.</p>		<p>Shape – octagon – made octagon plates and glued utensils and crackers to it. Letter of the Week (N). N is for nothing (☺). We traced the letter N. Sensory bin – yellow mania Fine motor – egg play with shells, bean bag eggs and spoons</p>
Wednesday 5/4		Specials
<p>Our project today was making purple hyacinth flowers. I read the book, <u>Planting a Rainbow</u>. In the book it showed the children different flowers to plant. We also went over the parts of a flower. The children can identify a stem, leaf and petals. We used purple paint and their fingerprints to make petals on the stem. They glued on leaves too.</p>		<p>Monday – Library – picked out books. Wednesday – Gym – soccer stations. Music – Mother’s Day songs</p>
Friday 5/6		Religion
<p>Today was our Mother’s Day Garden Party. Thank you for coming to our celebration. We hope you enjoyed planting with your child and your special gift too. Happy Mother’s Day to all!</p>		<p>God made each child special. We celebrate everyone’s uniqueness.</p>
Reminders		
<p>Hope everyone had a great weekend. We are going to be collecting dimes this month for a fundraiser called “Dimes to Dollars”. All the monies will go to The American Cancer Society and Relay for Life. Please start collecting your dimes. We will have water bottles on the front table by the front door to put them in. Each bottle filled will be \$100! Happy dime hunting! The letter for next week will be W. Please hand in pictures of that letter. Thanks!</p>
